ENGL 402 or 403 (ESL)
†MGTOP 301
†MGTOP 450
†FIN 325
†MKTG 360
<i>Global Learning Requirement - see reverse</i>

◆ In order to be minimally qualified for certification, students must complete these courses with a 2.50 GPA or better; have 60 semester credit hours and at least a 2.50 cumulative GPA. Meeting minimum qualifications does not guarantee certification. See our website at www.business.wsu.edu/advising for the on-line certification application.

† Certification as a business major is required for enrollment in all 300-400 level business courses

*Sophomore standing (30 hours) is required for enrollment in Acctg 230.

At least 50% of business core and major specialization courses and at least nine 300-400-level business/economics courses must be WSU courses.

Global Learning Requirement

Complete ONE of the following:
Education abroad of 6 credits or more
Major or minor in a foreign language, International Business, or Global Studies
Certificate with an international component (see advisor for details)
OR complete any TWO of the following:
Education abroad of 3 - 5 credits
International internship of at least 3 credits (I BUS 498)
Take an International Business Institute course [GLR] (see web site**, DARS or advisor for list)
Take an accepted course with an international component (see web site**, DARS, or advisor for list)
Significant international travel at the collegiate level (must be approved by the Associate Dean)

**Both course lists can be found at <http://www.business.wsu.edu/advising/Pages/Global.aspx>

Useful Information

- Our website (<http://business.wsu.edu/advising>) contains most of the information you will need to get the most out of your experience with the College of Business.
- If you would like to pursue a business minor, application for a minor is made via the online application site no earlier than the semester following your major certification. Space in many minor courses is limited so you are not guaranteed to be certified in your minor of choice. These choices include:
 - Accounting
 - Business Administration
 - Entrepreneurship
 - Finance
 - Human Resources/Personnel
 - International Business
 - Management Information Systems
 - Marketing

Please note that you are allowed only one business minor. See your advisor for more details.

- If you desire to pursue a second major in business, application is made through the online application site no earlier than the semester following your first major certification. Space in some majors is limited so you are not guaranteed to be certified in your second major of choice.
- The College of Business does not allow students who are enrolled in a Pullman campus course to be enrolled in any business course offered online through the Distance Degree Program.
